

# vanestro

The campervan company Vanestro was born from a deep passion for camping and years of hands-on experience. The team behind Vanestro knows camping inside and out, combining their love of travel with extensive knowledge of campervan design and materials.

At the heart of Vanestro's production is an unwavering commitment to high quality. Every detail, from the choice of materials to the craftsmanship, reflects our dedication. The interiors of each model are meticulously designed, featuring premium furniture. The Vanestro models - **Atlantic**, **Pacific**, and **Odyssey** - are all distinguished by their signature panoramic pop-top roofs.

The versatile layouts of the Pacific and Atlantic models, both based on the **2024 Ford Turneo Custom**, make them ideal for everyday use, whether as regular vehicles, delivery vans, or comfortable, standout motorhomes for all your short and long adventures.

**Vanestro is a family brand dedicated to making your dreams come true.**

# Vanestro Pacific

The **Vanestro Pacific** is the ideal family vehicle for both everyday use and long trips. It offers a blend of permanent and removable elements, allowing for versatile configurations.
