

vanestro

Vanestro is a new camper van company that combines experience with passion. It was created from the love of travel with knowledge of the camper-van world and the materials.

Vanestro values high quality. The interior is made with attention to detail and the furniture comes from an esteemed German company. The unique original roof ensures a panoramic view.

Thanks to the alternative layouts, both Pacific and Atlantic can be used as everyday vehicles, delivery vans or comfy and outstanding motorhomes for all your short and long adventures.

Vanestro is a family brand created to make dreams come true.

Vanestro Pacific

Vanestro Pacific is a great vehicle for everyday use and long trips. It has both permanent and removable elements, which allow many different configurations. The fridge and shelves are fixed. The kitchen unit with the table can be removed, put outside the car and used there. Both the back couch and middle row can be removed, leaving considerable space.

With every Vanestro camper van, the customer receives original Ford seats. Vanestro Pacific can seat up to 7 people. The middle row – combined of 3 seats – can be easily and freely modified.

Vanestro Pacific can have two beds. One in the top – the roof bed. The second bed is made from the couch. It has a special extension, providing extra space and closing the gap between bed and the vehicle wall.

Vanestro Pacific equipment:

- Fridge
- Two-burner stove
- Sink
- 2-person couch
- 5 seats
- 2 beds (2030 x 1130 ; 1877 x 1100)
